4. Agreement For Provision Of Certification Service

- 4.1 The applicant hereby confirms that the information provided in this application form is true and correct.
- 4.2 The applicant acknowledges that it has received and agrees to abide by the following contractual documents:
 - 4.2.1 Compliance of the Product at all times to the GSO National Standards or to the UAE adopted International Standard or to other approved standards & Regional Requirements
 - 4.2.2 Compliance Requirements stated in the relevant Technical Guidelines/Regulations/laws and Management System Requirements
 - 4.2.3 The Applicant hereby undertakes to support the certification procedure, provide any information related to this Application as requested by the HAS, and allow HAS authorized personnel to carry out the audit of the factory
- 4.3 If the product is no longer in the market, please inform HAS immediately in order to withdraw registration.
- 4.4 This application is not considered as a proof/evidence that the product is complying with the applicable regulation/laws and it gives authority to HAS to verify compliance to the National or internationally approved standards and the requirements of the applicable regulations/laws.
- 4.5 After reviewing and approving the contents of this signed application and the attachments, a Certificate of Conformity is issued.
- 4.6 Renewal of the Certificate of Conformity should be done at least one month before the end of validity of the Certificate of Conformity.
- 4.7 This application is valid for six (6) months from date the application was made. Application shall expire if no assessment is conducted or if the requirements for product registration were not completed.
- 4.8 Fees paid are non-refundable.
- 4.9 This document including the documents submitted as part of this application will be kept confidential by HAS but might be disclosed as per the requirement of the scheme/law/regulation or upon prior approval/consent from the applicant.
- 4.10 HAS can decline to accept an application or maintain a contract for certification from a client when fundamental or demonstrated reasons exist, such as the client participating in illegal activities, having a history of repeated non-compliances with certification/product requirements, or similar client-related issues.
- 4.11 The applicant agrees to report to HAS all perceived risk to impartiality in all its certification activities and to allow HAS to conduct all certification activities in an impartial and non-discriminatory manner.
- 4.12 Complaints, appeals, disputes or suggestions relevant to this application shall be reported to HAS in writing to follow the HAS internal procedure.
- 4.13 The applicant agrees to keep all complaints related to the products stated in this application and shall make it available to HAS when requested.
- 4.14 The applicant agrees to inform HAS of any use of outsourced processes that will affect the conformity of the product to the requirements of HAS.
- 4.15 The applicant shall inform HAS of any changes made to the product and/or its components which may make the product differ in design/performance/type from the products declared in this application.
